A Message From Your Potentate

So far, the 2018 year has gone pretty well, with many very fun events. One of the highlights was the annual Central States Shrine Association convention held in Branson, Missouri. The event was attended by about 100 Sesostris Nobles, their ladies and guests. Competition among the various temples was fun and Sesostris units showed very well, bringing home several trophies and many memories. The big winner was the Harley Unit with three first place finishes. Other units involved and winning trophies were: BV Tri-Scats, Cruis'n Classics, Corvettes and Keystone Kops. Accolades go out to the Director General and all of the assistants for a great hospitality room. Several other temples commented on the warm hospitality provided by Sesostris.

The Sportsman's Giveaway is complete. It was an enjoyable and profitable event. The final numbers are not yet in but the indication is that this year's income will be very close to last year's record setting amount. The day turned into a raffle and football watch party. Members and guests were kept on the edge of their seats until the very end. Unfortunately, the football did not end as well as the raffle drawings. I would like to thank all of the Nobles and their ladies for the phenomenal support given to Project Leader Randy Rutt and his committee. Also, thanks to all of the members who made quick work of the cleanup and dismantling of the facility. Many hands made short work of a pretty big project. Again, our thanks go out to all members who worked the event, sold tickets and sponsorships and cooked the great barbeque lunch serving about 855 meals.

There are a few big events coming up to end 2018. November 3 will be our Fall Ceremonial which was postponed because of the scheduling of an extra home football game on the original date. So much for planning something on a bye week. After that, we will have our annual Recognition Night on November 7. The Gourmet Club is planning a good meal for us and we will be recognizing several people including some 50 and 60 year members. After that, it looks like parties for the rest of the year. Most clubs and units will be celebrating with special events and year-end meetings. To end the year we will have a New Year's Eve Party with the return of Joseph Hall "Elvis" to the Shrine Center. Don't miss this! There will be music with a midnight toast and breakfast to hail in the New Year.

If you have not seen or heard of maintenance projects around the Shrine Center it is important to note that we have had to make many repairs to the facility. Some of the things we have completed are three new air conditioning and heating units, a new heating unit for the garage, repairs to the walk-in freezer and coolers, maintenance on one of the bar beer coolers, repairs to the ice machine, new closures for the north double doors and sealing of the asphalt portions of our parking lot with repainting of the parking lot lines. There were a lot of maintenance and repairs made without drawing from our reserve savings and that will hopefully, last into the future.

This year has been a fantastic year for Lady Lynn and myself. We appreciate all of the hard work you all have done to make this a fun and satisfying time for us and the Shrine.

AUGUST 5, 2018

CORVETTE CLUB

The Corvette Unit had a terrific summer. We had members attending all or at least nearly all the scheduled parades. Some parades were dually scheduled as you know, so we didn't hit them all. Pictures of some of our parade guys and their cars are included in this article as well. Thanks to all the Nobles and their ladies for attending such a high percentage of the parades for 2018.

In August, we again did the judging for the Malcomb Car Show. It was a rainy day, so the attendance was only about 30 percent of normal. I was amazed that there were over 50 cars that showed up in the rain. We always enjoy the judging experience, that is, being on the other side of the wind shield; but, not so much in the rain.

Also, August arrived and we showed seven Corvettes at CSSA. We scored really well, with six cars at 99/100 and one car at 98/100. It was a fun event and to drive a Corvette around the Branson area, with all the hills and curves, was a real treat. The hospitality room was terrific and we took full advantage of that space and enjoyed commiserating with Shriners there. Congratulations to Ill. Sir Ole for a wonderful couple days and a very successful event.

We are looking forward to our event at Pla-Mor in September. The Bobby Lane Orchestra donated all the net proceeds to the Corvette Unit and of course, those monies are donated to the Sesostris Shrine for its benefit. We are not pleased with our success in selling tickets for the dance as of this writing, but I'm hopeful we will have had a great showing at the sales door, by the time you read this summary.

Our snow birds head south in the near future, so we will be having our Christmas party in October. The good news about that is, we can drive the Corvettes to the party and it is sort of the last outing before we put them away for the winter. Best wishes to all of you Shriners for a terrific Thanksgiving and Christmas season.

Remember to check your lug nuts

- SESOSTRIS CRUIS'N CLASSICS -

Jeff Eggerling, Secretary

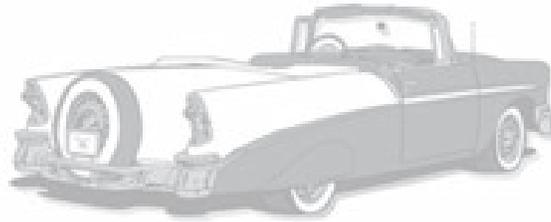

It's hard to believe that another year is coming to an end soon. As we finish out this year our activities have included the Sportsman's Raffle, Don and Millie's cruise nights, and the Shrine Halloween Party.

As we missed the deadline for the last issue, we need to backup and update you on our Auto Show that was held at the end of July. Another successful show this year, even though mother nature threatened to rain us out. The rain stayed away and we had 138 cars, trucks and motorcycles on display. Everyone enjoyed showing off their entry, participating in the raffles and 50/50 drawings. Most of the entries went home with a trophy. Thank you to everyone that helped with this fundraiser.

The Cruis'n Classics also attended CSSA Branson with six vehicles showing in the Special Interest and or Commercial Classes. The unit was rewarded with two

first place trophies. Congratulations to everyone that went and showed. Everyone had a wonderful time in Branson, but we look forward to attending CSSA next year in Sioux City.

Fall Ceremonial, Recognition Night and the many holiday parties are still coming up as we close out the year. As always, a great "BIG" thanks to all the members, ladies and those who supported our unit or helped with all of our fundraisers and activities throughout the year.

As the upcoming holidays are soon here, that means many holiday parties will follow. So when your club and/or unit holds its party, remember to save the aluminum cans. Every aluminum can that is saved and donated goes back to the Shrine. If you have any additional metals to donate contact the Cruis'n Classics Captain. Well, that is all for now as we cruise out this year and into 2019.

Dear Ladies of the Shrine

Happy Autumn to all of you! Your Membership Committee may be contacting you in the future. We are moving forward with S.W.A.K. — Showering With Acts of Kindness, and our visitations to members who can no longer drive. At our September meeting we found our T.A.s (Transportation Angels) — ladies who volunteer to transport those of you who can no longer drive. Look forward to being called to notify you, who will be picking you up for each meeting.

Special “Hello” to these ladies — Arlene Fleischer at Eastmont Towers. We are hoping to connect with you. We missed Shirley Marks and Betty Casper — expect a phone call. Best regards to Lady Judy Hunt and Past Potentate George Hunt. You were missed as well.

Check your calendar for our October and November meetings. These will be very full as we end our 2018 year. Next month, Jeannie Baer will present the program on the visit and pictures of Cuba. We have a Hostess Committee to serve lunch, and a Memorial Service as well. For November, don't miss the special luncheon for \$7.00 with a mixture of holiday fun and

installation of officers. The Membership Committee has a fun program for everyone.

Thanks to all who serve on the Hostess Committees. There may be change for next year. Let's hear your ideas! Also — what do you like in a program? We need your input.

We meet at the Sesostris Shrine Center at 1050 Saltillo Road. Ladies, in order to get to the finish line, you've got to leave the starting line. To be effective in our everyday life — the list to everyone from God: #1 quit worrying; #2 put it on the list; #3 trust me; #4 leave it alone #5 talk to me. These are a partial list of a modern ten commandments. I apologize for any inconvenience, but that after all that I'm doing, this seems little to ask of you.

See you at our meetings in October and November. The starting time is 11:30 a.m. and lunch at noon. Remember, we honor our birthday ladies each month.

Have a lovely fall. See you all in October

Supporting the Pediatric Orthotic and Prosthetic Services (POPS) program of Shriners Hospitals for Children® that provides custom-designed orthotic and prosthetic devices, allowing children with limb deficiencies and other orthopaedic challenges to accomplish amazing things, be active participants in the world around them and pursue their dreams.

Patsy Cain, First Lady of Shriners International, knows firsthand the difference access to quality orthotics can make. Her in-laws, the parents of Imperial Potentate Jim Cain, both had polio and lived bravely and admirably with the aftereffects of the virus. Had today's braces and other devices been available to them, their lives may have been easier.

She has announced her fundraising program, *Little POPS of Love*™, which will support the Pediatric Orthotic and Prosthetic Services (POPS) of Shriners Hospitals for Children. The highly-qualified POPS staff members have created devices that allow children with limb deficiencies to play musical instruments, participate in sports and to have a better quality of life. These O&P (orthotic and prosthetic) professionals can create a full range of devices, from a complete prosthetic limb to the smallest assistive device, for children of all ages, efficiently, accurately and precisely.

"Each of us wants to make a real difference in the lives of the children who depend on Shriners Hospitals. The joy I've seen on the faces of children served by the POPS program inspired me to support this effort," said First Lady Patsy. "Having the correct brace, a perfectly fitting prosthetic device, or a proper wheelchair can open up so many new experiences for a child. These devices can help children be more independent, build confidence and most importantly, offer hope. Please join me and help show how *Little POPS of Love* can light up a child's world."

Shriners Hospitals
for Children®

The POPS program at Shriners Hospitals is streamlined, collaborative and technologically advanced. Six of our U.S. locations are designated fabrication centers for our various locations and have electronic carvers, and each hospital location has computer-assisted design (CAD) capabilities. Using a computerized system and electronic carvers eliminates the need for creating plaster casts as models, and saves a scanned model as a digital file for future reference. Now, creating an O&P device can be accomplished in days, rather than weeks. The POPS program strengthens the consistency and efficiency of our processes and products throughout our health care system. In 2017, the POPS program provided 51,852 devices – 49,647 orthotics and 2,205 prosthetics.

First Lady Patsy invites you to join her in supporting the POPS program of Shriners Hospitals for Children, and help these children have wonderful, hopeful lives.

Donations can be made during the First Lady's visits or online at lovetotherescue.org/first-lady-program.

Shriners Hospitals for Children® —Twin Cities and Gillette Children’s Specialty Healthcare Expand 95 Year History of Collaboration

Shriners Hospitals for Children — Twin Cities and Gillette Children’s Specialty Healthcare are pleased to announce an increased collaboration in the treatment of children with orthopaedic and neuromuscular conditions. The two organizations, which will remain independent, have worked together since the 1920’s to provide quality healthcare to this specialty patient population and are now expanding this collaboration into surgery services and inpatient care.

Beginning in November, Shriners Hospitals for Children — Twin Cities surgeons will perform the majority of their surgeries and inpatient stays at Gillette. Shriners Hospitals for Children — Twin Cities patients will continue to receive outpatient services including physician visits, child life, radiology exams, rehabilitation (occupational and physical therapy), orthotics, and prosthetics at Shriners Hospitals for Children — Twin Cities located on East River Parkway in Minneapolis.

“We are excited and energized by this opportunity to work more closely together. Each organization has unique capabilities that when joined in collaboration allow us to reach and serve more children across the region. Our missions are very much aligned,” said Charles Lobeck, Administrator.

Shriners Hospitals for Children — Twin Cities and Gillette Children’s Specialty Healthcare share a common commitment to offering a multi-disciplinary approach to care and specializing in the treatment of the most rare and complex orthopaedic conditions. It is because of these shared commitments to providing patients with the highest quality level of care that we are pleased to announce this expanded collaboration.

About Shriners Hospitals for Children

Shriners Hospitals for Children is changing lives every day through innovative pediatric specialty care, world-class research and outstanding medical education. Our health care system provides advanced care for children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate. Shriners Hospitals for Children is a 501(c)(3) nonprofit organization and relies on the generosity of donors. All donations are tax deductible to the fullest extent permitted by law. To learn more about Shriners Hospitals for Children, please visit www.shrinershospitalsforchildren.org.

About Gillette Children’s Specialty Healthcare

Gillette Children’s Specialty Healthcare cares for patients who have some of the most complex, rare and traumatic conditions in pediatric medicine, including cerebral palsy, epilepsy, spina bifida and hydrocephalus. Children who have disabilities and complex medical needs—and their families—have been at the center of our mission for more than 120 years. Learn more about how we’ve built on our long history to set the standard of care for some of the most challenging childhood conditions and how you can help. Gillettechildrens.org.

Meehan Estate Presentation

An event to finalize the Joe Meehan estate was held on September 27 at the Lincoln Scottish Rite. Noble Meehan had a final estate of \$900,000 that was divided between 10 different beneficiaries. Sesostris Shrine was one of the recipients and received a check for \$127,401.

Joe Meehan was a World II veteran and Military Historian who founded a military museum in Ashland, NE. Besides being a veteran he was Master Mason, a 32nd Degree Scottish Rite Mason and a member of Sesostris Shrine since 1956. As a Shriner he was active in several Units including the Legion of Honor, Railroaders and Directors Staff. His generosity has help many people over the years.

This is Who I Am: The stories of Riley and Lily

Every year, Shriners Hospitals for Children® selects two National Patient Ambassadors to represent the health care system's patients. The ambassadors spend the year sharing their stories of perseverance in the face of adversity and the ways Shriners Hospitals for Children has made a dramatic, life-changing difference in their lives. Introducing our two new Ambassadors:

Riley

Riley, now age 17, was born with hereditary multiple exostoses (HME), a genetic condition which causes irregular bone growth. Exostoses are more commonly known as "bone spurs," which typically grow on the end of long bones during childhood and adolescence.

In Riley's case, physicians discovered growths from nearly head to toe through a full body X-ray when he was only 15 months old. Shortly thereafter, he became a patient of Shriners Hospitals for Children — Tampa.

Over time, Alfred V. Hess, M.D., the hospital's director of hand surgery, and Shriners Hospitals for Children — Tampa's Chief of Staff Maureen Maciel, M.D., have performed more than a dozen surgeries to remove growths and lengthen bones in Riley's arms and legs.

Riley has been a very active patient ambassador for the Tampa Shriners Hospital for several years. He also mentors Theodore, another child with the same rare condition, which Riley said is "one of the best things that happened to me this year." Theodore's mom said that meeting Riley and his family gave them hope.

Riley's family also supports a golf tournament organized by Riley's dad's former employer. Since 2002, the C&W Charity Golf Classic has raised more than \$500,000 to benefit the Tampa Shriners Hospital.

Riley is looking forward to the opportunity to share his story and help others as a National Patient Ambassador. He intends to remain part of the Shriners family.

"I plan on becoming a Shriner when I grow up," Riley said. I want to be known as someone who gave of his time and his money."

LILY

Lily, age 18, from Paducah, Kentucky, was born with fibular hemimelia, meaning she did not have a fibula, the outer thin bone that runs from the knee to the ankle, in her right leg. She underwent a Syme's amputation, which is an amputation done through the ankle joint that helps to preserve the heel pad, and she received her first prosthesis a few months later.

When Lily was 18 months old, she became a patient of Vishwas Talwalkar, M.D., pediatric orthopaedic surgeon at Shriners Hospitals for Children Medical Center —

Lexington. Over the years, Lily has undergone five surgeries there to straighten her remaining right leg and has received more prosthetic limbs than she can count.

Lily recently completed her freshman year at the University of Kentucky. Because of the care she received at Lexington Shriners Medical Center, she has chosen to study nursing, and minor in music. "I hope to be a nurse at Shriners Hospital after graduating," said Lily. "It is my dream to help provide the same care I received all my life to others as a way to show my gratitude for the Shriners health care system.

"Shriners Hospitals for Children has helped me to not see my leg as a handicap, and instead to look at it as a challenge," she said. "Because of Shriners Medical Center, I wake up every morning thankful for two legs instead of regretting that I only have one."

Lily is looking forward to being a National Patient Ambassador. "I am so glad I get to be a National Patient Ambassador and talk to other patients and families who are going through the same things," said Lily. "Somewhere out there is at least one person who needs to hear what I have to say."

Naphis Temple No. 66

Daughters of the Nile

*Sharon Yockers, Queen
Jennifer Olsen, Princess Tirzah*

Greetings from Naphis Temple No. 66

We are now well into fall and Queen Sharon's year is moving right along. We had to cancel our September 9 Quarter Auction, but don't be dismayed. You will still be able to come out to the Shrine Center and bid on some exciting items in November. Just bring your quarters and your friends! On September 30 we held our annual **Bunco Marathon** and boy did the dice roll that day. What fun, lots of buncos and wipe outs! Our **October 5 Ceremonial** was the official visit of Supreme Queen Shirley Henley. The banquet was a wonderful feast, prepared by the chefs at Bryan Health and enjoyed by all in attendance. We initiated five new members during Supreme Queen Shirley's visit. On October 14, we held our **Membership Tea**. We had wonderful entertainment and celebrated 25 years or more of service of several Princesses. New this year, we invited members of Job's Daughters and

Rainbow Girls to attend. We start November with a **Honey of a Candy class** on November 3 and another **Quarter Auction** on November 4. Please try to attend these fun events. Contact a member of Daughters of the Nile for more information. December takes us into the holiday season when we will go caroling for the Naphis homebound.

As you can see, Naphis Temple No. 66 is a busy "beehive" of activity, working for the Shrine kids.

Giving thanks to Sesostris Shrine for their continued support of our Temple and its activities...

In Nile Love,
Cathy Schultz
Princess Badoura

MEMBERSHIP INCENTIVES PROGRAM REVISED Effective January 1, 2018

1. Each line signer, in good standing, will receive one point for a new petition, a restoration or an affiliation.
2. After a Noble attains five points, he will receive a membership medallion with a red, green and yellow ribbon. For each succeeding five petitions, he will receive a diamond in his membership medallion for a maximum of five diamonds. Once he has been a line signer for 35 petitions, he will receive a gold ribbon to wear with his membership medallion.
3. Each TOP LINE SIGNER who is a line signer for TWO Nobles in any given calendar year will be eligible to receive a "membership achiever" polo shirt.
4. Each TOP LINE SIGNER who is a line signer for FIVE Nobles in any given calendar year will be eligible to have his Sesostris Shrine dues paid for the next calendar year.
5. Line signers, if they desire, may place the Fez on their new Noble during the fezzing ceremony.
